Child Nutrition Department No-Charge Policy

Effective: 2026–2027 School Year

To ensure consistency and responsible management of student meal accounts, the Child Nutrition Department has adopted the following No-Charge Policy for all students.

Meal Benefits

• One (1) reimbursable breakfast at no charge each school day.

• One (1) reimbursable lunch at no charge each school day.

Additional Purchases

Students who do not have sufficient funds in their meal account will not be allowed to charge: • A second breakfast • A second lunch • Extra entrées • À la carte items • Snacks • Beverages • Any other additional food items

All additional purchases must be paid for at the time of purchase or by using available funds already in the student's meal account.

Parents/guardians are encouraged to monitor meal account balances and add funds as needed if their student wishes to purchase items beyond the one free reimbursable breakfast and one free reimbursable lunch provided each school day.

This policy is effective beginning with the 2026–2027 school year and applies to all students enrolled at the Institute for the Creative Arts High School.
